About Me

I'm a Frontend Developer. My first exposure to professional life through internship has benefited me mostly in strengthening my skills. I have developed a positive attitude and a strong sense of responsibility being innovative, resourceful, open, and responsive to change. It has created in me an interest in lifelong learning.

Experience

Digitech Infra Associates.
FrontEnd Developer

Jan 2024 - Present

Contributed to frontend development projects at Digitech Infra Associates, creating responsive web interfaces using HTML5, CSS3, and JavaScript. Collaborated with teams to integrate frontend with backend systems, utilized Git for version control, and actively participated in agile processes.
